

Dear Parents,

It is time to register your child for 2009-2010 Religious Education Program. For your convenience we have made registration forms available on our website. Please make sure that all forms are fully completed. **NO** forms will be accepted at registration with missing data and they must be signed by parent or guardian. Please make sure all sacramental information is included where applicable. All forms must have the parish registration number found on the weekly tithing envelopes. A copy of your child's baptismal certificate is required for those in grades 2 and 8. All registrations must be made in person by a parent or family friend - no registration forms will be accepted by mail at this time.

We will continue our policy of providing family-friendly scheduling so that it is possible for a parent with children in several grades to schedule the classes so that all children in the family can come at the same time. With the growing numbers of families joining our program each year scheduling two or more on a particular day does sometime become problematic. May I suggest that you register as soon as possible because our classes are filled on a first come first served basis. If you have a family situation, financial or otherwise, that you need help with please contact me and I will certainly do whatever I can to help out.

The parish has always subsidized the cost of the Religious Education Program generously from parish general operating funds. In an effort to do our part with the increase in heating, lighting and maintenance of the school building we have increased our fund raising efforts this past year and are very grateful for all your help and support. We will continue with our fundraising efforts and hope that you will join the many that help to make our program an outstanding one.

May our Lord continue to bless your families especially during this Easter Season.

Sincerely,

Mrs. Audrey Angelini
