## **COME JOIN US AS WE FUNDRAISE FOR THE VICTIMS OF HURRICANE MARIA**

Join us for some fun, raising money for Puerto Rico. After the devastation caused by Hurricane Maria in Puerto Rico, St. Catharine's PREP has decided to help with the relief efforts in that nation. We have partnered with the Sisters of St. Joseph in Southampton, NY to send money to help the Academia Maria Reina School in San Juan. All proceeds from this event will go toward helping the 600 students, 5 sisters and 40 teachers that work at the school.
